Move-Out Cleaning Instructions

Updated 7/31/2014

Kitchen and Dining Area

1. Clean the refrigerator inside and out, leave the refrigerator ON a medium setting.
2. Wipe down all the cabinets and drawers, inside and out.
3. Clean the stove thoroughly, the oven, the top, all drip pans and underneath the top. If drip pans are in bad shape, they will be replaced at your expense.
4. Clean the dishwasher, outside and inside edge. If you will run the dishwasher through a cycle with a cup of vinegar sitting on the top shelf this should be sufficient to clean the racks and inside.
5. Clean the counter top, vent hood and sink.
6. Clean all light fixtures and/or ceiling fans and replace all burned out light bulbs.
7. Sweep and mop the floor.
8. Clean washer and dryer (if provided) inside and out and mop floor of washer/dryer area.
9. Wipe off all mini blinds.

Bathroom

1. Clean the tub and surrounding area of all soap scum and/or mildew, use bleach if necessary, making sure faucets and showerhead are also clean.
2. Clean commode thoroughly.
3. Clean sinks and all faucets, making sure they are free of all soap scum and/or mildew.
4. Wipe down all cabinet tops and drawers inside and out.
5. Clean all light fixtures and replace any burned out light bulbs.

Living Room and Bedrooms

1. Wipe off all mini blinds, ceiling fans, light fixtures and window sills.
2. Wipe off all closet shelves.
3. Wipe off all baseboards and/or chair rails throughout unit.
4. Be sure to replace any burned out light bulbs.
5. Vacuum carpets.

Yard/Outside the Unit

1. Remove all trash in yard and outside unit.
2. Sweep off all porch, patios, and balconies (if any).

NOTE: Upon move-out there must be a clean filter left in air conditioner and/or furnace!
